Project of the Week

History

Results so far

Future

Feb 2010: Founded by SteveC

Inspired by the huge amount of effort that went into mapping Haiti by people all over the World.

Direct that same energy
into a mapping task each week
and grow the community and map.

What should I map this week?

How do I add _____ to the map?

Wow. I can add _____ to
OpenStreetMap? I should
learn more about OSM.

Conclusion

PotW influence is subtle

Future

Better measurements are welcome

Themes and timely projects seem more
interesting

More contributors to PotW are required

More participants in PotW are welcomed
